## WE NEED YOUR HELP

## السلام عليكم ورحمة الله وبركاته

My Name Is Louty (Abdullah), In Burkina Faso there is a village named Zoungou, Tanghin Province of Ganzourgou which has no masjid for the muslims to pray in at all. After seeing this and how the locals pray, they use stones to make a masjid and then they read in congregation, Once there is rain then all of the muslims stay at home and read in their houses. After seeing this I made it my personal goal to make a masjid for the muslims of this Village so they can pray without any fear of rain or using stones to make a masjid. I have started a project in which I have plans which are available and it will cost approximately £30,000.

PROJECT BUDGET  
TARGET:

**£30000**

!300 PEOPLE CAN  
EACH DONATE  
£100!

This will hold approximately 500 Muslims to lead their Salaah with Congregation with no fear of the weather. My plan is also for children to learn Islam in this Masjid. I hope everyone can help me achieve this goal inshaALLAAH.

## The Reward for Building a Mosque for الله سبحانه وتعالى

وَمَنْ بَنَى لِلَّهِ مَسْجِدًا يُذَكِّرُ فِيهِ اسْمُ اللَّهِ تَعَالَى  
بَنَى اللَّهُ لَهُ بِهِ بَيْتًا فِي الْجَنَّةِ.

Whoever builds a mosque in which the Name of ALLAH may HE be exalted, is remembered, ALLAH will build for him (her) a house in the Paradise.
